Form 8937 Appendix A

Issuer's Name: Spansion LLC
(Cypress Semiconductor Corporation as the successor in interest)

FEIN: 65-1180482

CUSIP Number: 84649PAL9

Line 14. On May 23, 2017, Cypress Semiconductor Corporation's (referred to as "CY" hereafter) board of directors declared a cash dividend payment of \$0.11 per share of CY's common stock with a record date of June 29, 2017 to be paid on July 20, 2017. Section 10.04(d) of the Indenture for the Spansion LLC 2% Exchangeable Senior Notes Due 2020 (referred to as "Notes" hereafter) provides for an increase in the Exchange Rate in connection with this dividend.

Line 15. Section 10.04(d) of the Indenture for the Notes provides for an increase in the exchange rate in connection with the dividend mentioned above on the Ex-Dividend Date, June 27, 2017.

Exchange Rate Adjustment Calculation Illustration:

$$ER_1 = ER_0 \times (SP_0 / (SP_0 - C))$$

ER_0 = the Exchange Rate in effect immediately prior to the open of business on the Ex-Dividend Date for such dividend or distribution

ER_1 = the Exchange Rate in effect immediately after the open of business on the Ex-Dividend Date for such dividend or distribution

SP_0 = the average Closing Sale Price of the Company Common Stock for the ten consecutive Trading Days immediately preceding, but excluding, the Ex-Dividend Date for such dividend or distribution

C = the amount in cash per share CY distributes to holders of its Common Stock

Pursuant to IRC Section 305(c), the Exchange Rate Adjustment results in a deemed distribution to the holders of the Spansion LLC 2% Exchangeable Senior Notes Due 2020. The amount included in income increases the tax basis of the respective Notes.

Deemed Distribution Calculation Illustration:

$$\text{Deemed Distribution} = (ER_1 - ER_0) \times SP_0$$

Line 16. The Exchange Rate relating to the Notes, previously equal to 193.6279 shares of Common Stock per \$1,000 principal amount of Notes, was increased to 195.2406 shares of Common Stock per \$1,000 principal amount of Notes as a result of the cash dividend paid on July 20, 2017 by CY to its common shareholders.

The above Exchange Rate increase resulted in a deemed distribution of \$21.48 per \$1,000 principal amount of Notes to the holders of the Notes and a corresponding increase in the holders' tax basis in the Notes.

Detailed Calculation:

$$ER_1 = ER_0 \times (SP_0 / (SP_0 - C)) = 193.6279 \times (\$13.3170 / (\$13.3170 - \$0.11)) = 195.2406$$

$$\text{Deemed Distribution} = (195.2406 - 193.6279) \times \$13.3170 = \$21.48$$

$$ER_0 = 193.6279$$

$$ER_1 = 195.2406$$

$$SP_0 = \$13.3170$$

$$C = \$0.11$$
